D.E. Drainage Easement
P.U.E. Public Utility Easement

OWNER'S CERTIFICATE

The undersigned owner of the real estate shown and described
hereon do hereby plat and subdivide said real estate as shown and
designate the same as **Centerra Ridge Section 9 Phase 2**
All road right-of-ways shown and not previously dedicated are
hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and
marked **"D.E."** (Drainage Easement) are hereby dedicated to the
surface water and/or subsurface water, provided however, that
public utilities are hereby permitted to cross such Drainage Easements
with utility facilities provided, that such facilities are not placed in such
a manner as to impede the flow of water. The property owner is
responsible for maintenance and erosion control of said easements and
shall not place landscaping, earth berms, fences or other
obstructions that impede or reduce the flow of water.

Strips or areas of land, of the dimensions shown on this plat and
marked **"EWSUE"** (Evansville Water and Sewer Utility Easement),
are hereby dedicated to the public water utilities and public sewer
utilities for the installation, maintenance, operation enlargement and
repair of utility facilities, whether above ground or below ground, with
the right to trim or remove, at the discretion of said public utility
companies, trees, overhanging branches, bushes, underbrush and
obstructions. No buildings, structures, fences, electric utilities, gas utilities,
telephone utilities, cable television utilities or any other utilities shall be
located within said areas of land. However, nothing shall prevent the
use of any portion of the easement for utility service connections or
crossings by any utility. Any building, structure, fence, electric facilities
(except crossings and service connections), gas facilities (except crossings
and service connections), telephone facilities (except crossings and service
connections), cable television facilities (except crossings and service
connections), obstructions or encroachments located within said areas
of land are subject to removal by the permitted water and sewer utility
companies without liability in the use of said easements and the permitted
water and sewer utility companies shall not be required to replace,
restore or repair any non-permitted feature, obstruction or encroachment
in the use of said easements. Nothing shall prevent the use of any portion
of this easement for driveways, parking lots and sidewalks constructed with
any type of material or surface and nothing shall prevent the use of any
portion of this easement for crossings by storm drainage facilities.

Strips or areas of land, of the dimensions shown on this plat and
marked **"P.U.E."** (Public Utility Easement), are hereby dedicated
to public utilities for the installation, maintenance, operation,
enlargement and repair of utility facilities, whether above ground
or below ground, with the right to trim or remove, at the
discretion of the public utility, trees, overhanging branches,
bushes, underbrush and obstructions. No buildings or similar
structures, other than such utility facilities, can be located within
said areas of land. Any fence located within said areas of land
is subject to removal by a public utility without liability in the
use of said easements by said utility.

All easements are dedicated with the right of ingress and egress
over the lots within this subdivision to and from said easements
for necessary construction, maintenance or reconstruction.
